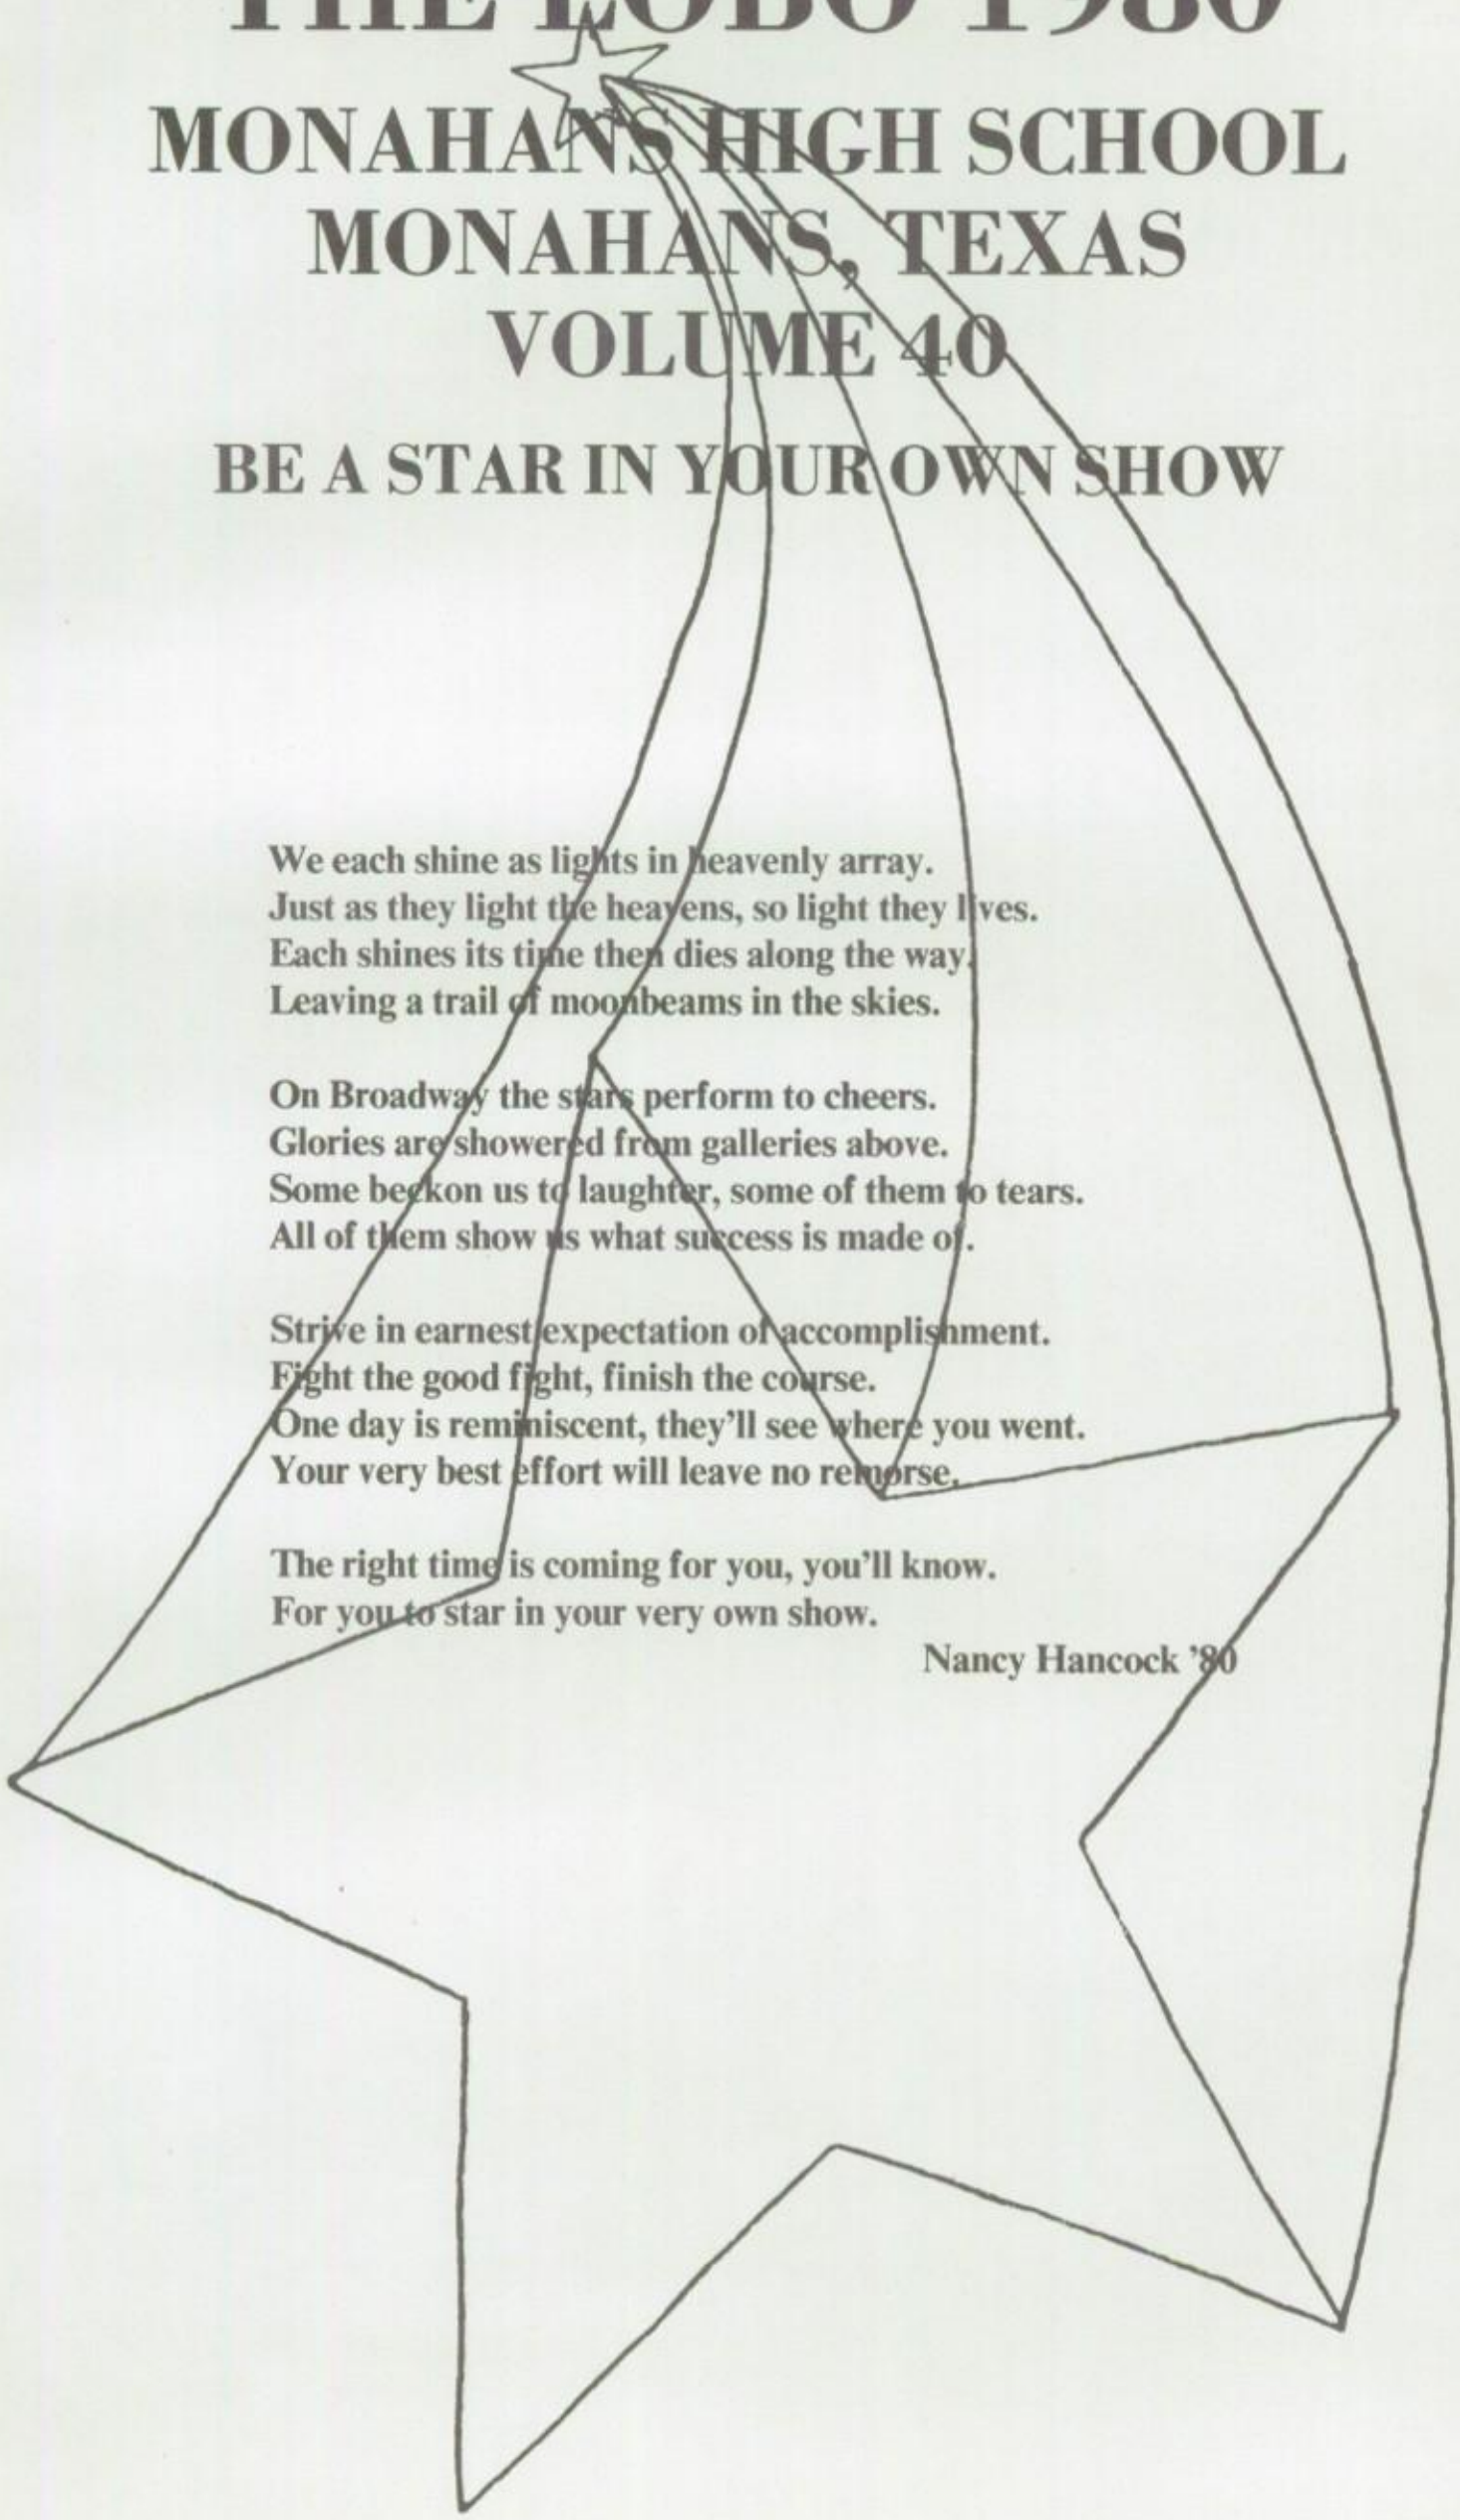
BE A STAR IN YOUR OWN SHOW



We each shine as lights in heavenly array.
Just as they light the heavens, so light they lives.
Each shines its time then dies along the way.
Leaving a trail of moonbeams in the skies.

On Broadway the stars perform to cheers.
Glories are showered from galleries above.
Some beckon us to laughter, some of them to tears.
All of them show us what success is made of.

Strive in earnest expectation of accomplishment.
Fight the good fight, finish the course.
One day is reminiscent, they'll see where you went.
Your very best effort will leave no remorse.

The right time is coming for you, you'll know.
For you to star in your very own show.
